

2021 BREWSKI™ AWARDS

INTERNATIONAL BEER COMPETITION

RESULTS

THE BEST BEERS DESERVE THE BEST RECOGNITION.™

This year the 2021 Brewski™ Awards attracted 450 beer brands from over 100 breweries. The five judges, comprised of men and women, on this year's panel participated in scoring every beer entered. All entrants were judged as soon as they arrived to ensure freshness, quality, and integrity. Judges are highly experienced beer consumers that tasted independently of each other. The director of the tasting panel is a Certified Cicerone® that oversaw the tastings and judged herself too. She is an enthusiast and not in the industry. Each beer entered is scored on aroma, appearance, flavor, mouthfeel, and overall impression. The consumer judges volunteered their time and expertise, and all are employed outside the industry. Congratulations to all the winners of the 2021 Brewski™ Awards.
